

Vox Agencies – SMEM (Sales & Marketing Executive Model)

Earn 20% Commission on Every Sale You Close

We invite you to be a part of our Sales & Marketing Executive Model (SMEM) and earn attractive commissions by helping us bring new clients for our video production services.

Commission Structure :-

- Example: If the project value is ₹1,00,000
Rs. 18,000 -> GST
Rs. 20,000 -> Your Commission (20% of Invoice Value, excluding GST)
Rs. 62,000 -> Vox Agencies (for production & project costs, after deductions)

Payment to you will be released after the client's payment is received in our account.

How It Works :-

- Promote and market Vox Agencies' video services from anywhere, on your own time.
- Earn 20% of the sales value (excluding GST) for every project you bring.
- Commission applies to post-sales, after the invoice is raised and client payment is credited.
- You do not need to be a sales/marketing professional – anyone can do this.

Benefits of SMEM Model :-

Legal Agreement – All partnerships are secured with a signed agreement to avoid ambiguity.

Repeat Projects Protection – If the same client gives us future work, you continue earning 20% commission.

Ethical Transparency – All project conversations will keep you in loop (email/WhatsApp CC).

Cross-Verification – You always retain the client's contact details for transparency.

No Burden – Just share client requirements with us; we handle quotation, contracts, invoices, compliance, and execution.

Important Points to Note :-

- You are **not allowed to outsource or pass on sales** to third parties.
- Pricing will only be shared officially by Vox Agencies.
- Sales closure is valid only after client's full/part payment reaches our account.
- Commission will be credited **only after client's payment** is confirmed.
- You cannot interfere in production, revisions, or delivery process.
- Incentive Bonus: Extra 5% (total 25%) commission on projects above Rs.6 Lakhs.
